

The 22nd of September 1975 is a day that is stuck in the memory of Dutch DKW enthusiasts. It is the day on which several Dutch DKW drivers got together and founded the DKW Club Nederland. Now, 35 years later, we can tell that this beginning grew to be a success.

To celebrate this anniversary, again several enthusiast got together to create some sort of birthday party. On this party not only the Dutch Auto Union fans are invited. We would like to meet all our foreign friends. So if you are from Germany, Great Britain, Belgium, France, Denmark or any other country, you are welcome to visit the

**37th International Auto Union Meeting 2010**

Where do we go to? The place-to-be is called Sevenum, which is to be found in the south of the Netherlands, in the province called Limburg. This province is known for the lifestyle of the people there: they very much like the good things of life like good food, lots of fun and having party's from time to time. We are trying to include these ingredients in our meeting.

The people who are going to organise this meeting are the Dutch club members Hans Hollink, Wilmar Zelen en Gea Rebel. It will be held in Restaurant and Party centre 'De Turfhoeve', Middenpeelweg 1, Sevenum, next to freeway A67 Eindhoven-Venlo. There will be a 80 kilometres tour, a market to find spare sparts for your vehicle and a dinner on Saturday evening.
